

2017 BuzzFunds Annual Report

Overview of Utilization
of
BuzzFunds
Allocated by
Georgia Tech Licensing Committee
2016-17 Fiscal Year

GARBA

“The India Club at Georgia Tech organized one of the biggest cultural events, *Garba*, on two different days so as to ensure the accommodation of the large Georgia Tech community. With the help of BuzzFunds, we were able to make *Garba* a successful cultural celebration.”

– BuzzFunds Report: *Garba* 2016, India Club at Georgia Tech

Campus Services 2017 BuzzFunds Annual Report (Overview of Utilization of BuzzFunds)

Each fiscal year, Campus Services awards its BuzzFunds funding allocation to Georgia Tech student organizations and campus departments. In order to receive funding, groups must submit a BuzzFunds Proposal from the form posted on the Campus Services website (ImportantStuff.gatech.edu).

The groups requesting funding must be Georgia Tech chartered student organizations or campus departments requesting funding for a major project or program.

The Campus Services BuzzFunds Proposal includes:

- Proposal Name
- Description of Proposal (including how this program or event fosters leadership or Georgia Tech community involvement)
- Date of Event/Program
- Benefits (who will benefit from this program or event)
- Budget (make sure all funding requests are included)
- Amount and Items Requested
- Brief Report due no later than two weeks after event

Campus Services Communications markets the BuzzFunds program, letting groups know of the availability of funding.

The number of groups receiving funding has remained constant at 100-plus for the past five years with 102 (2012-13), 109 (2013-14), 103 (2014-15), 109 for 2015-16 and a record-setting 2016-17 with 119.

This year Campus Services awarded a total of \$196,228.76 in BuzzFunds to 119 groups with 31 new programs receiving funding. The funded groups are listed on the following pages.

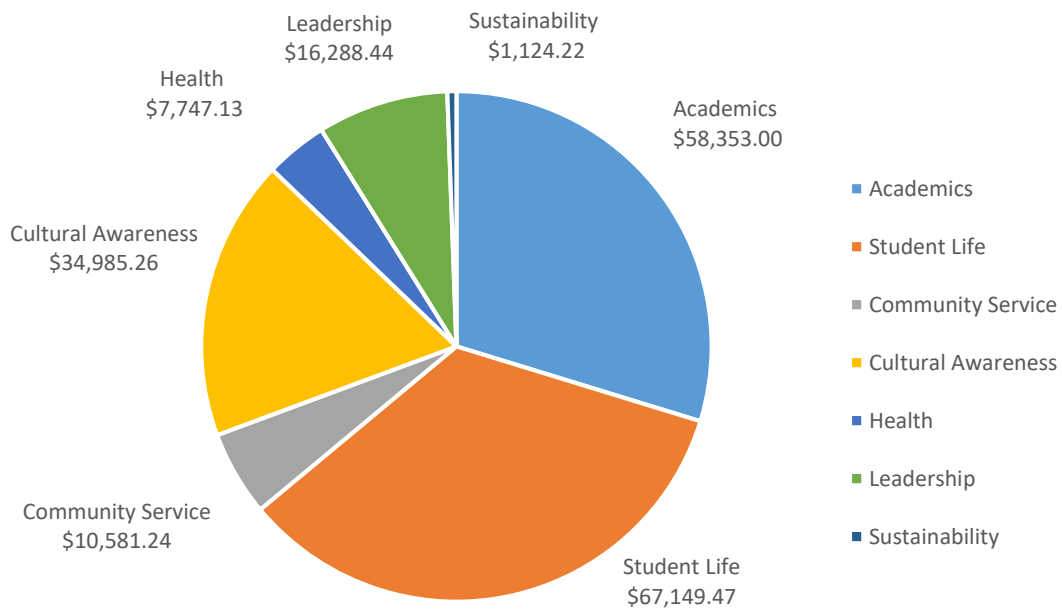

“In the past, we have been generally hesitant to choreograph ballet dances since ballet dances are much harder to pass off with unprofessional costumes,” – Georgia Tech Dance Company BuzzFunds Report. “Our attendance for this event was larger than ever.” Campus Services BuzzFunds provided funding for the ballet costumes.
