## Overview of Utilization of BuzzFunds Allocated by Georgia Tech Licensing Committee

*“This year’s Culture Fest was especially unique because it was extended to Saturday with International Baseball Night, collaborated with Georgia Tech Athletic Association. GTIA’s motto is “Bring the World to Georgia Tech, and Georgia Tech to the World.” Culture Fest embodied our motto perfectly as it brought different communities on campus together. Thank you so much for your help and support. The Culture Fest could not have been successful without BuzzFunds’ contribution.”*

# Campus Services

## 2019 BuzzFunds Annual Report (Overview of Utilization of BuzzFunds)

Each fiscal year, Campus Services awards its BuzzFunds allocation to Georgia Tech student organizations and campus departments. To receive funding, groups must submit a BuzzFunds Proposal from the form posted on the Campus Services website- <https://campusservices.gatech.edu/buzzfunds>.

The groups requesting funding must be Georgia Tech chartered student organizations or campus departments requesting funding for a major project or program.

The Campus Services BuzzFunds Proposals for funding must include:

- Proposal name
- Description of Proposal (including how this program or event fosters leadership or Georgia Tech community involvement)
- Date of Event/Program
- Benefits (who will benefit from this program or event)
- Budget (ensures all funding requests are included)
- Itemization and amount of items requested
- Brief report about the event due no later than two weeks after the event

Campus Services Communications markets the BuzzFunds program, communicating availability of funding to student groups and campus departments.

The number of groups receiving funding has been consistent with more than 100 groups receiving funding each year for the past six years.

Campus Services was able to award a total of \$199,240.45 in BuzzFunds to 119 groups. The groups who received funding can be found on the following pages.

### **CRIDC2019**

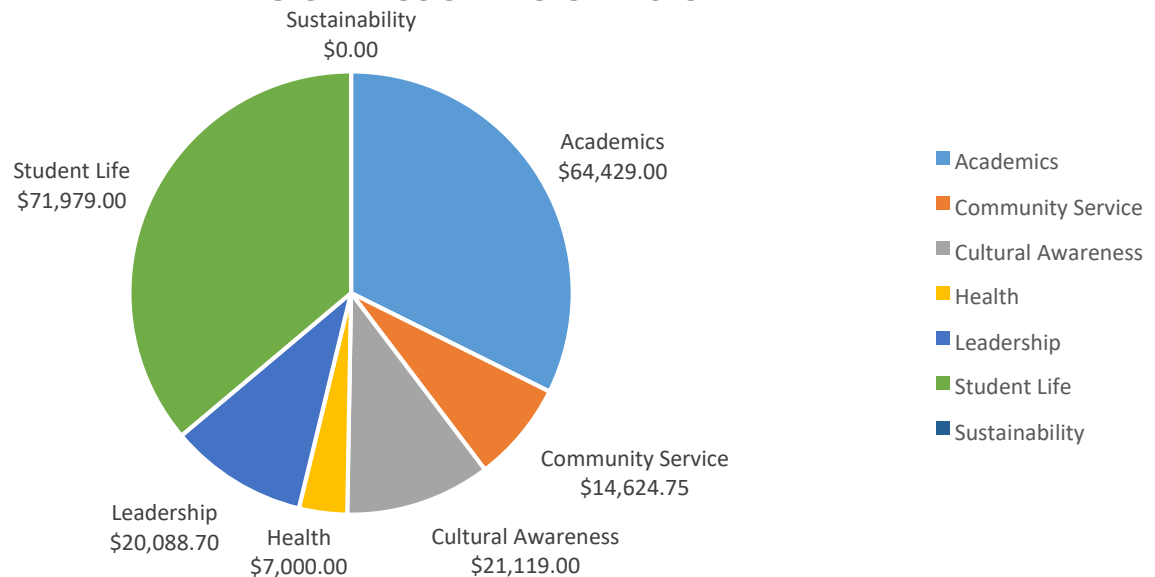

*“Thank you for walking along with us throughout the journey of CRIDC 2019. CRIDC would not have been possible without your continued support, guidance, and encouragement. It was a great pleasure working with you to make this event a success. Hope that this collaboration will continue for years to come. Looking forward to celebrating 10 years of CRIDC in 2020.”*

### Testimonials:

“Bengali New Year is the largest non-religious festival for Bengalis from Bangladesh and West Bengal in India. The BSA wanted to share this celebration with international communities at Georgia Tech. Over 300 students attended the celebration. The event was very successful, and people from different cultures attended the program and enjoyed both the culture and the food. Students from India participated as well, which was impressive.”

- Bengali New Year Celebration (April 14, 2019)

“Our mission to bridge and connect students with professionals could only be fulfilled with the support of our sponsors, especially our primary sponsor, BuzzFunds Campus Services. We would like to thank again the support of BuzzFunds, since its financial contributions helped cover approximately half of our total budget and, without it, we would definitely not be able to host Connect & Dine 2019. We hope that you will continue to sponsor us for our future endeavors, and we look forward to working with you again.”

- WiMSE Connect and Dine 2019

“We appreciate and thank both BuzzFunds and Campus Services for helping us make this event as successful as it was, and look forward to continuing to work with them in the future.”

- GT Night at the Aquarium

“Because of BuzzFunds, we were able to allow 100% of the registration fees to go towards the American Cancer Society. This was primarily because of our ability to purchase necessary items for the event itself using the funding we graciously received. We, Relay for Life, want to thank you for your contribution to our organization and we hope to continue to utilize BuzzFunds to do good to our society!”
